Dear Families,

Welcome to the Education Programs of Gardendale First Baptist Church, a safe and joyful environment for care and education.

We are dedicated to leading all children in the pursuit of a personal relationship with Jesus Christ.

It is our desire that every child experience the love of Jesus Christ each day as they are surrounded by the Word of God, songs of praise, excellent curriculum and Christian leadership in a safe environment. **Start a child off on the way they should go, and even when they are old they will not depart from it. Proverbs 22:6**

We also desire that every child will come to know Jesus Christ as their personal Savior and grow in their relationship with Him. **Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14**

We require each member of the Education Programs staff to maintain a positive attitude and exhibit good Christian morals. It is our expectation that each staff member sets a good example for the children in speech, attitude and actions. **Whatever you do, work at it with all your heart, as working for the Lord, not for men. Colossians 3:23**

As a staff, it is our belief that there is no more worthy cause than influencing children to become the best that they can be and to grow in the knowledge of our Lord and Savior, Jesus Christ. **I have no greater joy than to hear that my children are walking in the truth. 3 John 1:4**

Thank you for the opportunity to share with you some information about our ministry. Should you have questions, please contact the office at 205-514-6455 or lisam@gfbc.org.
